Nice work Daen! You need to update the top of your admin.php with the following logic:			
<pre><?php if (!isset(\$_SESSION['loggedin']) \$_SESSION['loggedin'] === FALSE) { header('Location: /phpmotors'); } ?></pre>		Daniel Stephenson, Nov 16, 2022 at 12:03am	
Otherwise, I can hit http://localhost/phpmotors/accounts and it lands on that page (and blows up).			
Sorry..forgot to update that, Will do now. Thank you again!		Daen Antule, Nov 16, 2022 at 12:17am
