First, I wanted to say it has been a pleasure to have you in class Daen. Thank you for your hard work. I loved how took an old assignment fixed problems on it and improved it. That shows me that you took the time to fill in the holes in the topics that we were learning. There were other topics that we covered which I wish it had received examples for as well.			Preston Blaylock, Jul 23, 2022 at 5:27pm
