The screenshot shows the debugger running correctly! Good work, this will come in handy the rest of the semester.

This evaluation was completed by a certified grader. Please select “View Rubric” to see the rubric feedback left by your grader. If you believe there is an error in how your submission was graded according to the rubric, please message your grader in Canvas through the "Assignment Comments" box. If you have questions regarding course content after reviewing your rubric feedback, reach out to your instructor. They can give you additional feedback, clarification, and mentoring.
